

Meath County Council

Appropriate Assessment

Determination

From: Declan Grimes

File Reference: P8/

Description of Development: This application relates to the proposed development of a Burial Ground, Playground and Woodland Walk with associated works.

Location: The site is located in the townland of Gormanston and is located along local road L-1617-8. The site is approximately 0.9km east of Stamullen Village.

The Screening for Appropriate Assessment was carried out by Noreen McLoughlin, MSc Environmental Consultant, Whitehall Environmental and their screening conclusion states the following:

'it is of the opinion of the author that an AA of the proposed development is not required as it can be excluded, on the basis of objective information provided in this report, that the proposed development, individually or in combination with other plans or projects, will not have a significant effect on any European sites.'

Having regard to this screening report, it is considered that Meath County Council can determine that the proposed development will not affect the integrity of any designated site.

The assessment as reported is adopted as the determination of Meath County Council.
