

1.0 Introduction

Consequent upon the Order of the High Court made on the 3rd May 2023 in proceedings [2021 No. 958 JR](#) the following changes have been made to the Meath County Development Plan 2021-2027:

- (a) Removal of Sheet 35(a) Southern Environs of Drogheda, Sheet 35(a) Southern Environs of Drogheda-Combined, and Sheet 35(b) Heritage, but only insofar as relates to the A2 Residential Zoned lands in the Southern Environs of Drogheda (not including any lands that were Zoned A2 Phase I in the previous Meath County Development Plan). The order provides that these lands will be rezoned WL (White Lands).***
- (b) Removal of the last three paragraphs of section 2.8.1.1 of Chapter 2 - Core Strategy; and***
- (c) Removal of the figure "178.70" in the table to section 2.10.4, Column I, Row 1; of Chapter 2 - Core Strategy.***

The aforementioned Land Use Zoning Maps and Chapter 2 Core Strategy of the Meath County Development Plan 2021-2027 have been amended to reflect this judgement. The rezoning of these lands and removal of this text from the Meath County Development Plan 2021-2027 shall not affect any existing development consents granted in these areas.

This written statement will provide a brief description and development strategy for South Drogheda Environs. As required by Regional Policy Objective 4.11 in the RSES¹, a Joint Urban Area Plan (UAP) is to be prepared by Meath County Council and Louth County Council during the life of this Plan. Pending the completion of this Urban Area Plan, a written statement and land use zoning objectives map to establish a framework for inter alia the future UAP, to support economic development and to provide a basis for continued operation of the development management process pending the completion of the UAP has been included.

2.0 Town Context/Character

Drogheda is the largest town in Ireland, with a population of almost 41,000 in 2016. The town is strategically located along the Dublin-Belfast Economic Corridor. Its importance as a centre for population and economic growth is recognised in the designation of the settlement as a Regional Growth Centre in the National Planning Framework.

The Southern Environs of the town lies within the jurisdiction of Meath County Council, where there are strategically located employment and residential lands.

In order to ensure a coherent strategy is in place that would maximise the potential of Drogheda and promote co-ordination between the Local Authorities and key stakeholders a Joint Urban Area Plan

is to be prepared for Drogheda by Meath and Louth County Council, in collaboration with the Eastern and Midland Regional Assembly. This Plan will support the development of the town as a driver for economic growth along the Dublin-Belfast Economic Corridor.

¹ Regional Policy Objective 4.11 of the RSES sets out the requirement to prepare a Joint Urban Area Plan and is as follows: 'A cross boundary statutory Joint Urban Area Plan (UAP) for the Regional Growth Centre of Drogheda shall be jointly prepared by Louth and Meath County Councils in collaboration with EMRA. The UAP will support, the development of Drogheda as an attractive, vibrant and highly accessible Regional Centre and economic driver. The Joint UAP will identify a functional urban area and plan boundary for the plan area and strategic housing and employment development areas and infrastructure investment requirements to promote greater coordination and sequential delivery of serviced lands for development.'

3.0 Development Strategy

The Development Strategy for the area will focus on the creation of a sustainable settlement with improved links and connections to the town centre and where there is a balance between population growth and economic development.

Pending the preparation of the Joint Urban Area Plan, it is not proposed to make any amendments or alterations to the land use zoning map for the Southern Environs. The current zoning map and Development Strategy for the settlement will therefore remain in place until such a time as this Plan has been finalised.

South Drogheda has been identified as a strategic employment centre in the Meath Economic Development Strategy due to the strategic location of the area along the Dublin-Belfast Economic Corridor and its connectivity between Dublin City Centre and Airport via road and rail links. The development of the town as a Regional Growth Centre is dependent on economic investment and job creation therefore this Plan will continue to support the economic development of the town and in particular the concentration of development in the IDA Business Park and the employment lands on the Duleek Road.

There has been an increase in residential activity in the area with permission granted for residential developments on the Rathmullan Road and Duleek Road. A Strategic Housing Development of 250 residential units has also been granted permission in Bryanstown. This Plan will support the creation of sustainable communities in South Drogheda, with the development of residential lands being dependent on the provision of any necessary social and physical infrastructure.

4.0 Town Development Policies and Objectives

The Policies and Objectives set out below are in addition to those included in the Written Statement in Volume One of the County Development Plan. To avoid repetition Policies and Objectives have only been restated where they have particular relevance to the settlement. These Policies and Objectives should therefore be read in conjunction with the Policies and Objectives and Development Standards in Volume One of the County Development Plan.

Policy

It is the policy of the Council:

STH DRO POL 1

To support the continued development of Drogheda as an attractive, vibrant, and accessible Regional Growth Centre that functions as a focal point for economic investment and population growth along the Dublin-Belfast Economic Corridor.

Objectives

It is an objective of the Council:

STH DRO OBJ 1

To prepare, as a priority, a Joint Vision and Urban Area Plan for Drogheda in partnership with Louth County Council within the lifetime of this Plan in accordance with the requirements of Regional Policy Objective 4.11 of the RSES for the Eastern and Midland Region and the recommendations set out in the Report of the Drogheda Boundary Review Committee published in February 2017.

STH DRO OBJ 2

To support the sustainable development of existing zoned lands in the Southern Environs of Drogheda with a particular emphasis on the promotion of the IDA Business Park as a location for strategic economic investment and the creation of compact, residential communities in key locations in proximity to established residential areas and transport hubs.

STH DRO OBJ 3

To support the preparation of a Local Transport Plan for Drogheda, in conjunction with Louth County Council and in consultation with the National Transport Authority and other relevant stakeholders.
