In addition to above to facilitate future public park we partially support **Proposed Ashbourne Amendment No. 8**. Specifically we support rezoning of residential land for Community for car park for a proposed Public Park:

Ashbourne public park is a very missing amenity in a populous town such as Ashbourne. Recent pandemic times have helped to emphasize the importance of such facility. We appreciate all the efforts done by the councillors and Meath County Council in this regard and we are looking forward for material changes to facilitate development of the long-awaited Ashbourne public park.

Thank you.
