Dear Sir/Madam,

Thank you for allowing me to comment on the Draft Meath Development Plan (MDP) 2021-27.

My [Redacted_Personal Information] had a right of way from the main road to the gate on The Green (Folio MH16584F). This right of way is inherited with the folio of which I am now the beneficial owner. See blue line on the PDF diagram of Crossakiel attached with approx. indications of this right of way.

Question: Is this right of being now being impeded or obstructed in any way by the scale and width of the Community Infrastructure G1 marked in the Crossakiel Draft MDP 2021-2027 above? I am not referring to the wonderful Ball Alley but the extension of G1 leftwards to the edge of A2 marked above without any gap to allow for this right of way.

If so, I would wish to have this right of way marked and acknowledged in the MDP 2021-2027 and the extension of the G1 area suitably amended to allow for this.

Thank you.

Anto Kerins
