Proposed Amendment Number: Proposed Ashbourne Amendment No. 7, Proposed Ashbourne Amendment No. 8

It must be without president that a town the size of Ashbourne still has nowhere where young or old can walk and exercise safely. It is time to stop pontificating and deliver the 80 acres of parkland proposed in the next phase of the of the development plan (21-27). Nothing less will do, no dilution, as Ashbourne is bursting at the seams with people of all ages who need somewhere safe, quiet and designated to roam and relax. We count on the proposal being adopted to fulfil this 80 acre parkland. We count on your commitment and we count on your promise.

Michael Mc Kenna.
