To whom it may concern,

I live in [Redacted_Personal Information], Ashbourne and I would like it noted that I would like a bigger park for Ashbourne. I think I speak for a lot of people including Ashewood Residents Association and all the families that live here. The natural environment and nature is imperative to our youths mental wellbeing especially now that we are emerging from a pandemic.

I urge you to take onboard my thoughts on this, we are after experiencing a very difficult year & a half, losing loved ones, our elderly having to Cocoon and grow older before their time, our youth missing out on lifetime opportunities; and all this on top of an already massive health crisis (mental health et al) and homelessness. Human beings who live here need this park and for it to be as big as is possible. Ashbourne is one of the country's youngest populations, we owe this to future generations to give them a nice place to live in a world that is going at a very fast pace, they need this Park.

Thanking you in advance for your time

Kind regards

Lisa Ryan
