my family and my community

ashbourne needs:

- An open space for health and social activities to take place for residents and visitors to gain the benefits associated with same.
- The creation of a safe space for children and youth to play without road traffic or cramped green areas.
- A safe space where children, youth and adults can learn and practice how to cycle without road traffic (we dont have anywhere at present)
- Based on the growing population in Ashbourne and the surrounding areas a large is needed in this area.
- the local wildlife would hugely benefit from a large park.

please listen to the residents of Ashbourne in there requests.
