I wish to submit my support for the proposed new People's Park in Ashbourne and it being kept at 80 acres in accordance with recognised green spaces for areas. It will be a necessary amenity for both the residents of Ashbourne and the surrounding areas. I would like to see it containing facilities for both young and old, and those in between!

It will be a great asset to the community of Meath East and all those who visit our lovely area. A facility for teenagers would be very welcome also.
