Proposed Kells Amendment No. 8 – refuse change

This proposal serves to highlight the issues seen in Proposal No. 7 around bad planning and zoning, whereby in the past, ideal land for housing within Kells has been given over for retail space which competes with the Kells core retail area. Once again, in light of the poor longer-term strategy seen in this and the other proposals, no change in zoning can be considered until the preparation of the new Kells Development Plan.
