

Description: The development will consist of
 (a) The partial demolition of the existing fire station building
 (b) Its extension horizontally to the rear in order to extend the existing appliance bay and southeast wing
 (c) Its extension vertically, to accommodate new break room and training room within the roof space at first floor level above the southeast wing
 (d) The construction of a new four storey training tower at the southwest corner of the site
 (e) The redesign of the landscaping around the Turlough O'Carolan monument to include the removal of the existing wall and fence and new hard and soft landscaping to create a public plaza with public lighting and seating
 (f) All associated boundary treatments and site work.

Applicants: Meath County Fire and Rescue Service

Location: Nobber Fire Station, Nobber, Co. Meath.
