Submission on material amendments to Draft County Development Plan. 2021 – 2027

**Chapter 9. Rural Development Strategy
Submission NOM 50 Cllr. Brian Fitzgerald.**

I wish to fully support the Submission NOM 50 by Councillor Brian Fitzgerald to retain the existing rural development chapter and add on the rural nodes as proposed.

I wish to submit the following in support of same: -

1. The changes to work from home following COVID-19.
2. Our Rural Future Rural Development Policy 2021 – 2025.
3. The need to be close to parents and family for dual support including family childcare.
4. The very fast-changing housing market may result in the need for an annual review of the rural nodes.

Kind regards,

Christopher O'Rourke
