Re: Draft Meath County Development Plan – Material Amendments

Dear Sirs,

Please find below our comments regarding Material Amendments in respect of Irish Water:-

Proposed Amendment No.	Comment / Observation
A/No: Chapter 6.2	The correction of text in the first paragraph is noted. Text around the STVGP is not necessary and is also now out of date. Suggest it is removed, at least from “At this stage of the process” to the end of the section.
A/No: Chapter 6.3	The correction of date is noted.
A/No. Chapter 6.4	We welcome the inclusion of our proposed text on the National Water Resources Plan.

We note the following text corrections were not included in the Material Amendments, so may remain incorrect in your final document.

Section 6.6 Policy Context 2 nd Paragraph	In November 2019, An Bord Pleanála granted planning permission for the Greater Dublin Drainage Project
Section 6.7 Drinking Water	In the last line, 2019 should be deleted.
Section 6.8 INF OBJ 4	CIP (2020-2024)
Section 6.9 Waste Water	GDD Project End Date 2026 (also SEA page 57)

Yours Sincerely,

Niamh McDonald
