RE: Material Amendments to Meath County Development Plan 2021-2027

To Mr Sean Clarke, Senior Executive Officer:

I do not agree with the changes to Co. Meath Development plan. It is a very drastic plan for rural Co. Meath at the present time. Houses are very expensive and are in short supply at the moment and to prevent people from building in rural areas will further compound this problem.

The present plan that is in place should be continued and should not be changed.

Yours faithfully

Marie Guy
