**Re: PL - FP - Display of Material Alterations relating to Meath County Development Plan
2021-2027**

Dear Sir/Madam,

We refer to your correspondence dated 28th May last regarding Display of Material Alterations relating to Meath County Development Plan 2021-2027.

Inland Fisheries Ireland (IFI) is a statutory agency responsible for inland fisheries in Ireland. Under section 7(1) of the Inland Fisheries Act 2010 (No. 10 of 2010) *the principal function of IFI is the protection, management and conservation of the inland fisheries resource.*

Having examined the proposed material alteration of the County Development Plan IFI has no observations from a fisheries perspective.

Yours faithfully,

Michaela Kírrane
