**Support to Material Changes to Meath County Development Plan /Proposed Ashbourne
Amendment No. 7+8**

To whom it may concern,

On behalf of the Churchfields residents I am submitting a signature petition with 224 signatures from the Churchfields residents in Ashbourne, to support submissions for Material Changes to the Meath County Development Plan / Ashbourne Amendment 7 and 8.

With this group submission, we ask Meath County Council to incorporate into the County Development Plan 2021-2027 an unequivocal commitment to a Community Park of no less than 80 acres in Ashbourne and the corresponding re-zoning of land, to help make this much needed green space a reality for the health and wellbeing of our community.

Thank you.

Kind regards,

A handwritten signature in blue ink that reads "Wibke Persicke".
