

June 28th 2021

Strategic development plan 5.2.

re construction of road from the Kilbride road 5028 to Bracetown.

Facebook promised us a footpath from the village to our estate. Is this included in new plan.

What impact will this new road have on status of the present road from village to Kilbride.

We want a guarantee that our access to the village will not be impacted.

Mary and Eamonn Purcell.
